If you or a Family Member served in the Alaska Territorial Guard and have not received discharge papers you will need to complete a ATG –214 form.

There is a 276 page list of individuals who served ; however I have created a condensed version for our area.

Please contact me Lorna Osterback your local Tribal Veterans Representative at 383-3151 or

e-mail me at lornao@eatribes.net and I will provide you with the form and assist as needed to get this completed and turned in so that benefits are received.
