

Environmental Youth Group

As the Parent/Guardian of _____, I do hereby knowingly and voluntarily assume all risks, chances, and hazards relating to any personal losses or injuries which may occur during any period of time for the activity which my child is participating during Environmental Youth Group (EYG). I therefore agree to hold harmless, to defend, and indemnify the Qagan Tayagungin Tribe and its officers, agents, employees, directors and designees from any and all claims, demands, causes of action or liability or for expenses relating to injuries, accidents, disease, property damage, and/or property loss which may occur as a result of my child's participation in the Environmental Youth Group being sponsored by the Qagan Tayagungin Tribe and will be meeting at the QTT Rec Center in Sand Point except such claims, demands, causes of action or liability which may be directly attributed to intentional acts of agents or employees of the Qagan Tayagungin Tribe. I understand the Qagan Tayagungin Tribe does not provide medical insurance coverage which would cover a student's injuries or actions. It will be my responsibility to provide for payment of such expenses should they occur. I am aware of the hazards associated with participation in this Environmental Youth group. Knowing the risks involved in the activities that will occur during EYG, I give my permission for the above listed student to participate in all scheduled activities. I also authorize any necessary emergency transportation and medical treatment to be administered to the above named student. I understand the Qagan Tayagungin Tribe assumes no liability for such emergency transportation and medical treatment and such costs will be my responsibility.
